

## Responses to Presbytery Graffiti Boards

### **Support I would find helpful in the areas of...**

#### **Worship:**

Creative/spiritual multisensory worship (second person added “ditto”)

More emphasis on Christ (probably directed at Presbytery worship & not design team)

Less creationism/more redemption (probably directed at Presbytery worship & not design team)

#### **Education/Spiritual Development:**

Spiritual direction partners

Christian Education help/curriculum

(someone else added to this comment “Call your POINT people”)

Sunday School ideas

#### **Leadership Development:**

Training Events

Resources

#### **Mission:**

Mission Trip partnerships (2 additional people seconded this)

Ideas

#### **Other:**

Be about discernment rather than just design. What does God want—not the team

Encourage smaller churches to consolidate

### Messages/Questions for Design Team

Great, but maybe a little shorter on speeches (probably directed at the meeting & not the team)

The question is not “what will be the future of the Presbytery?” The question is “What is God calling us to be and do and how shall we strive to be the kingdom of God on earth?”

FR(?) – sell us to the unchurched\*

How can CLPs be supported in their various ministries with advocates on support systems outside their call? This really needs to be examined

Please consider making changes to the website—an online directory, more interactive pages—more user friendly\*

Please don’t just give people what they want—challenge them (no more “people pleasing”)

### I Wish that Presbytery Would...

Great worship but less liturgy (shorter) will be a blessing! (Probably re: the meeting/not for the team)

Quit being politically correct in everything (someone added “Amen”)

Consider overnight meeting??

Have a spiritual direction program for pastors

...do more to equip pastors and members for outreach (evangelism) & church growth

Soul-winning evangelism
