The Mission of the Presbytery of Giddings-Lovejoy is to build relationships that lead congregations in life transforming ministries so that we together embrace the fullness of the kingdom of God.

“The Consent Agenda helps to manage presbytery business in a concise manner. The consent agenda may include significant motions related to committee recommendations. This process places in the hands of presbyters the responsibility for the substance and length of the business meeting. The omnibus motion is a decisive moment when members and commissioners act to adopt all the items in the consent agenda by silent agreement, or ask that an item be withdrawn for full consideration and action.

“The Consent Agenda comes before presbytery for action at the beginning of the meeting. At that time the Moderator provides an opportunity to ask a question or seek clarification; this is not a time for discussion or debate. Following the period of questions, any presbyter has the right to ask that an item be taken out of the omnibus motion to be set aside for later consideration. Such a request requires no second, and without debate the item is removed from the omnibus motion. Any items not removed from the consent agenda will be part of the record of the meeting.”

Worship

Worship at this meeting will focus on themes of Christian Vocation and God’s call to each person. The offering will support the presbytery’s Emergency Fund, administered by the Committee on Ministry to assist ministers, their spouses, dependent children, retired and disabled ministers, and lay employees. We will celebrate the sacrament of the Lord’s Supper.
