

**CONSENT AGENDA
February 13, 2010**

Explanation of Procedure

The Consent Agenda (Omni-Motion) helps to manage presbytery business in a concise manner. The Omni-Motion may include significant motions related to committee recommendations. The process places in the hands of presbyters the responsibility for the substance and length of the docket. The Omni-Motion is a decisive moment when members and commissioners act to adopt all the items in the Omni-Motion by silent agreement, or to ask that an item be withdrawn for full consideration and action at the designated place on the docket.

The Omni-Motion comes before presbytery for action following the seating of corresponding members and introductions. At that time the Moderator will provide an opportunity to ask a question or seek clarification; this is not a time for discussion or debate. Following the period of questions, any presbyter has the right to ask that an item be taken out of the Omni-Motion and be set aside for later consideration. Such a request requires no second, and without debate the item is removed for later consideration. Any items not removed from the Omni-Motion will be part of the record of the meeting.

I. FOR ACTION

1. Stated Clerk

A. Minutes

The Mission Council has reviewed the minutes of the presbytery's Stated Meeting on November 14, 2009 and recommends their approval.

*Copies of the minutes of presbytery meetings from 2002 to the present are available on the presbytery's website located at www.glpby.org/Minutes/archives.htm. The minutes are password protected for security of information. The password is "**reformed**" and may be shared by commissioners with persons having a need to access the minutes. Printed copies are also available for review by written request to the Stated Clerk.*

B. 2010 Equalization Report

The Stated Clerk recommends adoption of the following equalization formula to redress the imbalance of resident ministers and the number of elders entitled to vote in presbytery:

Elders as mandated by the *Book of Order* G-11.0101a:

Based on their membership as of December 31, 2009*:

**the 2008 number was used if the 2009 number had not yet been reported*

One church is entitled to four elder commissioners (1501 or more members);

Ladue Chapel (1563*) **Commissioners: 4**

Four churches are entitled to three elder commissioners (1001-1500 members);

Bonhomme, Chesterfield (1465*)

Webster Groves (1268*)

Dardenne, Dardenne Prairie (1140)

First, Kirkwood (1093) **Commissioners: 12**

Four churches are entitled to two elder commissioners (501-1000 members);

St. Mark, Ballwin (830*)

First United, Belleville (776*)

Southminster, Crestwood (574*)

St. Charles (545*) **Commissioners: 10**

The remaining 82 churches are entitled to one commissioner. **Commissioners: 82**

Subtotal: 108

Where 2008 numbers have been used to create this equalization, the Stated Clerk will adjust as necessary the number of commissioners these sessions may send based on their true December 31, 2009 membership numbers after the reporting deadline of February 24th.

Additional Elders as provided by the *Book of Order and By-Laws*

The Book of Order mandates that each elder elected moderator shall be enrolled as a member of presbytery for the term of office. It allows that other elder officers, chairpersons of constitutional committees, members of council, the executive presbyter, associate executives and other exempt staff positions may be enrolled as members of presbytery for the term of office or duration of service. Lay Pastors may be commissioned to responsibilities that include voice and vote at presbytery meetings.

The following elders are therefore enrolled as commissioners to presbytery:

Neal Donaldson, Calvary, Mehlville	Moderator
Don Marshall, St. Mark, Ballwin	Treasurer
Pat Cook, Calvary, Belleville	Mission Council
Linda Dencker, New Hope, St. Peters	Mission Council
Thom Hood, Cote Brilliante, St. Louis	Mission Council

Commissioners: 23

Total Elder Commissioners:	131
Total Resident Ministers on the Roll:	168
Total Imbalance:	37

Correction of the Imbalance

The stated clerk recommends that presbytery continues its rule, established in 2003, whereby the imbalance is redressed in 2010 by the lack of participation of more than thirty-seven honorably retired resident ministers. (G-11.0100b)

C. Commissioning

Elder Neal Donaldson, Moderator, reported that as authorized by the presbytery, he presided at the commissioning of Elder John O'Connor as Lay Pastor of St. Andrew Presbyterian Church during their service for the Lord's Day on January 17, 2010. The commissioning was in general accordance with the *Book of Occasional Worship* with one exception; since the congregational responses were not printed in the bulletin nor available as an insert he read both the moderator's part and what would normally have been the people's response. All constitutional questions were asked of the candidate and of the congregation and all such questions were responded to in the affirmative.

In addition to the members of St. Andrew, Elders Jim and Pat Cook (Calvary, Mehlville) were present for the commissioning.

D. Administrative Commission

The administrative commission authorized by the presbytery to install the Rev. Dewey Johnson as pastor of Grace Presbyterian Church, Crystal City, Missouri, met at the church at 2:30 p.m. on Sunday, January 10, 2010.

A quorum was present consisting of the following commissioners:

Rev. Pam'la Cowan
 Rev. Carol DeVaughan
 Rev. Ed Wicklein
 Elder Neal Donaldson, Moderator
 Elder Susan DeClue, Grace

The meeting was convened by the Moderator and opened with prayer. Elder DeClue was elected the clerk of the commission. The order of worship was reviewed. The Rev. Thomas Clifton, a minister of the American Baptist Church, was seated as a corresponding member and invited to participate in worship leadership. Rev. Johnson answered affirmatively all the constitutional questions required for installation. The meeting to conduct the installation was adjourned following worship with the benediction by Rev. Johnson.

2. Mission Council

A. Synod and Its Future

At its most recent meeting, the Synod of Mid-America proposed a change in the plan of representation by the presbyteries to the Synod. Currently, the number of commissioners to Synod from each of its six presbyteries is weighted by the size of the membership of each presbytery. The Synod proposes that this be changed to four commissioners from each presbytery - two ministers and two elders.

Mission Council recommends that presbytery concur with this plan of representation.

Rational:

The Synod of Mid-America has recently acted upon the recommendations of its Mission Study Task Force, and suspended its Operating Manual to establish a minimal organization structure on a temporary basis. This structure eliminates a significant number of committees that had been in place for some years, but whose activities more recently have been significantly reduced. The structure retains the officers (Moderator, Stated Clerk and Treasurer), the constitutional committees (Permanent Judicial Commission, Committee on Representation, and Nominating Committee), and establishes four additional committees (Executive, Partnership,

Personnel, and Finance), which will encompass the duties of the previous committees to the extent that they had specific responsibilities. The reduced number of commissioners will result in an appropriate number for the new structure. Besides better organizing the current activities of the Synod, the reduced number of commissioners will also allow for significant savings.

B. Manual of Operations Proposed Amendment

On the recommendation of the Executive Committee, the Mission Council recommends that presbytery amend the *Manual of Operations* as follows:

[proposed additions in are ***bold italics***, deletions are in ~~striketrough~~.]

“4.174 Executive Committee

“The Executive Committee shall consist of the Moderator of Mission Council, who shall be Moderator of the Executive Committee, the Stated Clerk who shall serve as secretary of the Executive Committee, the Vice-Moderator of the Presbytery, and ~~two (2)~~ ***three (3)*** additional members elected by and from the Mission Council annually. ***Those members shall include the current Moderators of the Financial Management Committee, the Property Committee, and the Personnel and Office Management Committee.***

“The Executive Committee shall prepare the docket for meetings of the Mission Council, provide assistance and counsel to the Executive Presbyter in emerging matters and shall recommend to the Mission Council a slate of nominees for the Nominating Committee and shall nominate the Moderator and Vice-Moderator of the Nominating Committee.

“A quorum of the Executive Committee shall be three (3) members.”

C. 2010 Amended Budget Recommendation

The 2010 budget recommendation was amended to account for funding for the Youth Triennium in the Resourcing and Equipping Ministry Team line. Mission Council recommended that presbytery approved the budget as amended.

The position was held by Amy Anderson for over a year. The personnel committee expressed to her the appreciation of the presbytery for her service.

 Class of 2010 – Rob Cardwell (WME, Argo); and,
 Mission Council recommends the election of Joan Marshall (WFC) as Moderator of the Nominating Committee for 2010.

3. Congregational Development Ministry Team

The Congregational Development Ministry Team, with the concurrence of the Property Committee of Mission Council, recommends that the presbytery authorize the sale of the presbytery's property located at 9407 Manchester Road, Rock Hill, Missouri (the current location of the United African Presbyterian Fellowship, formerly Rock Hill-South Webster Presbyterian Church), at no less than fair market value as determined by the Property Committee, and that the proceeds be distributed according to the presbytery's formula (80% to the Church Development Fund and 20% to the Mission Council unrestricted fund.

Rationale

United African Presbyterian Fellowship has been located in the Rock Hill property for five years, almost wholly supported by grant funding through Congregational Development funds. Though vitally engaged in ministry and mission with immigrants and refugees, the fellowship is not financially self-sustaining and does not anticipate becoming so in the near future. Southminster Presbyterian Church has become a mission partner congregation in support of United African Fellowship and other partners are being sought.

In accordance with the Welcoming Immigrant & International Christian Communities Policy, as amended by action of the Presbytery in May 2009, immigrant/refugee fellowships will ordinarily be hosted by an existing congregation of the Presbytery. Such a host congregation is being sought for United African, with the goal of relocation by the end of June 2010.

The Congregational Development Ministry Team will take action, from the portion of the proceeds allocated to the Church Development Fund, to establish a salary/benefits assistance fund for pastoral leaders of immigrant/refugee groups affiliated with the Presbytery, and to set aside grant funding for the host congregation to assist in renovation of space to be used by United African Fellowship if necessary.
