Why all are important in Presbytery mission and ministry....

In the new design approved and adopted in February 2016, there is freedom for each elected Elder convener to assemble their own sub-team as they see fit for the responsibilities of their position. The sub-teams of each convener, moderator, or commission can be made of anyone identified as having particular gifts and creativity toward a given task. In encouraging all Presbyterians to become involved in service to the larger church body, CoR/N welcomes youth, Deacons, or simply members with a heart to serve to become involved in this exciting new mission driven leadership design. •There will be a review of sub-teams by CoR/N, to ensure diversity is adhered to, as much as each team is able.
