

# Dreaming & Discerning

A gathering for those exploring a call to start New Worshiping Communities

**Tuesday, June 18<sup>th</sup> – 7 p.m.**  
**Faith Des Peres Presbyterian Church**

Has God called you to breathe new life into a new community and in a new way? New worshipping communities are Spirit-led and initiated when a person hears God's Song in a new key. Could you be that person? The New Worshipping Communities team is creating a confidential space where you can come and explore your call, God's vision, and our desire to create new expressions of worshipping communities within the presbytery.

If you are interested in exploring a call to become a new worshipping community leader, then join the presbytery's New Worshipping Communities team for a discerning conversation on June 18, 2019 at Faith Des Peres Presbyterian Church at 7:00 p.m. Snacks will be provided.

For questions about the gathering and to RSVP by June 15, 2019, please contact Vanessa Hawkins at either (314) 772-2395 (ext. 1982) or [vhawkins@glpby.org](mailto:vhawkins@glpby.org).
